HONORING CHRISTY CARLSON ROMANO AS SHE IS RECOGNIZED AS A ROLE MODEL FOR YOUNG PEOPLE EVERYWHERE

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Ms. DELAURO. Mr. Speaker, it is with great pleasure that I rise today to join Speaker James Amann of the Connecticut House of Representatives and Mayor James Richetelli of Milford, Connecticut as they recognize one of the Milford community's brightest stars—Christy Carlson Romano. A literal star of both stage and screen, Christy is a Milford native who has not only shown that talent and hard work can bring great fame and success, but more importantly, how one can use their celebrity to positively impact the lives of others.

Christy is perhaps best known for her current roles on the Disney Channel's "Even Stevens" and for lending her voice to the animated series "Kim Possible." Acting since she was six years old, at only twenty, Christy has developed an extensive background in both theater and screen acting. Her dedication to her craft has given this remarkable young woman a highly respected reputation—especially among her young fans.

However, it is not just her fame that makes Christy such a tremendous role model for young people. Her commitment to her education is a real source of inspiration. This is even more evident when you consider that she has spent the majority of her life balancing both a career and a rigorous academic course load. At twelve she was on the daïs of "The Presidents Summit for America's Future" where she met three former U.S. Presidents and as a high school junior she participated in the National Leadership Conference. Today she is a sophomore at Columbia University's Barnard College majoring in Political Science and has already completed a congressional internship with Senator DODD.

In addition to her challenging schedule with her career and studies, Christy still finds time to be active with numerous charitable organizations. The Will Rogers Foundation, the Make a Wish Foundation, the Connecticut Leukemia Society, and the Child Safety Network are just a handful of the groups with which Christy has and continues to be involved. Her good work has certainly touched the lives of many.

Too often, the extraordinary contributions of young people are overlooked. Christy is a

shining example of the tremendous impact young people can have on their communities and the lives of others. That is why it is fitting that Christy is honored with the first "Connecticut's Finest Award" and that today will be proclaimed "Christy Carlson Romano Day" in Milford.

Through Christy's extraordinary contributions both on-screen and off, she has become a true role model for young people everywhere. I am pleased to stand today to join her parents, Sharon and Anthony, her sisters Marcella and Jennifer, her brother Anthony, Jr., Speaker Amann, Mayor Richetelli, family, friends, and fans in recognizing Christy Carlson Romano for her outstanding professional and personal achievements. She is truly one of Connecticut's finest.

CONGRATULATING BEAVER VALLEY BRANCH OF AMERICAN ASSOCIATION OF UNIVERSITY WOMEN ON 75TH ANNIVERSARY

HON. MELISSA A. HART

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Ms. HART. Mr. Speaker, I would like to take this opportunity to congratulate the Beaver Valley Branch of the American Association of University Women on its 75th Anniversary, and recognize the exemplary performance of service that the organization provides the 4th District of Pennsylvania.

I ask my colleagues in the United States House of Representatives to join me in honoring the Beaver Valley Branch of the American Association of University Women. It is an honor to represent the Fourth Congressional District of Pennsylvania and a pleasure to salute the service of organizations like the Beaver Valley Branch of the American Association of University Women that personify civic pride and make the communities that they live in truly special.

TRIBUTE TO BABETTE WISE

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Mr. VAN HOLLEN. Mr. Speaker, it is with great pleasure that I rise to commend one of my constituents, Babette Wise, on her dedication to substance abuse treatment and prevention in the Washington, DC, area for nearly a quarter of a century.

As a licensed therapist and director of Georgetown University Hospital's Alcohol and Drug Abuse Clinic, Wise has worked with individuals, families, and communities struggling with addiction to alcohol and other drugs. She has helped many people throughout the Washington region transform their lives by providing quality treatment and education.

Her treatment philosophy is based on the acknowledgement that addiction is a disease and that abstinence is the best way to manage the condition. Wise treats her patients with respect and provides a safe place for them to heal.

As a member of the Congressional Caucus on Addiction, Treatment and Recovery, I have gained a greater awareness and respect for the problems associated with addiction, and I am working to promote solutions to these problems. I believe that information, education, and awareness about chemical addiction, as well as access to treatment are the keys to combating this horrific disease.

I applaud Babette Wise and wish her continued success in the years ahead.

INTRODUCING BILL TO PROHIBIT ANY REMITTANCE OF U.S. VOLUNTARY AND ASSESSED CONTRIBUTIONS TO THE UNITED NATIONS IF THE UNITED NATIONS IMPOSES ANY TAX OR FEE ON ANY UNITED STATES PERSON OR CONTINUES TO DEVELOP OR PROMOTE PROPOSALS FOR SUCH A TAX OR FEE

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 2005

Mr. PAUL. Mr. Speaker, I rise today to introduce a bill to prohibit any remittance of U.S. voluntary and assessed contributions to the United Nations if the United Nations imposes any tax or fee on any United States person or continues to develop or promote proposals for such a tax or fee.

The United Nations has for decades been looking for a way to develop and promote a system of direct taxation on American citizens. It is bad enough that the United States has wasted more than \$30 billion thus far on this corrupt and inept organization. U.N. bureaucrats want to find a way to put their hands directly in the taxpayer's pocket and do away with the U.S. Government middle man.

A current example of this determination to tax American citizens is the Law of the Sea Treaty. The "International Seabed Authority" created by the Law of the Sea Treaty would have the authority to—for the first time in history—impose taxes on American businesses and citizens. This treaty may be ratified at any time by the U.S. Senate and U.N. taxation of Americans will become a reality.

This is just one of many examples of the United Nations attempting to impose direct taxes on the American people. If we are to retain our sovereignty and our way of life we must reject completely any such attempt. Our forefathers rebelled against English rule over the issue of "taxation without representation is tyranny." It makes no sense at all more than 230 years later to subject ourselves to such a tyrannical arrangement.

I hope my colleagues will join me in supporting this legislation.
